

HILLS OF HELL

PEAK HALF MARATHON SERIES 2015

TEAM COMPETITION

Competition format:

- Enter as many runners in as many of the races as you can
- Need not be the same runners in each race
- Points awarded based on the total number of finishers in each race
- If 400 race finishers: winner gains 400 points, 2nd place gains 399 points, 3rd place gains 398 points, 400th place gains 1 point
- Every runner's performance and contribution to the team counts. Elite and novice runners all in it together
- Team with greatest points total in each race is then reverse-ranked in a table (eg : if six teams, ranked 1 to 6)
- If a team fail to enter any runners in any one race, then their team is awarded the next highest ranking number after the rankings of all the teams that did enter a runner.
- Table updated after each race
- Team with overall lowest ranking points are challenge winners
- If at end of the series, 2 or more teams are tied on same ranking points, then winning team is that with the higher average score per runner
